Ephesians 5:14-17 states, "Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil. Wherefore be ye not unwise, but understanding what the will of the Lord is." Folks, we are walking in evil days so it is time we arise from our sleep! We need to take the talents and opportunities God has given us and put them to work. We all don't have the same ones, but if you are a born-again believer of Christ, He has given you one! I am personally thankful, and I know the other missionaries of the Craftsmen for Christ Ministry are thankful for our place serving the Lord.

We have been very busy these past few months. We were able to finish our work at Good News Baptist Church in Spring Hope, NC. Pray for Pastor Shane Brantley and his congregation as they continue to grow. They will need a new sanctuary before too long. Praise the Lord!

We were able to travel to Carrollton, GA, to help Gospel Light Baptist Church modify a modular building to use as a nursery and Sunday school rooms. Please pray for Pastor Sam Carns as they continue to minister to their community.

Pastor Lawrence English is the Pastor at Bell Hill Baptist Church in Murphy, NC. We were able to help replace some vinyl on porch and overhangs.

In our last newsletter, we shared with you about Jesse Butcher and his family. They lost their home to a housefire. We have been able to help with the rebuilding of their house. We are thankful to have been a part of this and have been amazed at how God has blessed the progress that has been made in the last three months. Thank you to John Oliver for getting things in motion for this project. Please continue to pray for the needs to be met and for the Butcher family as they continue to minister to churches.

CFC Missionary, Scotty Boyd, was able to travel to Arapahoe, WY, to help with a new sanctuary for Arapahoe Baptist Church. The Craftsmen for Christ Ministry helped this church many years ago. Praise the Lord their ministry is growing. Pray that the needs be met so they can get into this new building as soon as possible.

In April, we hosted our 3rd Annual CFC Golf Tournament Fundraiser. It was a great day, and we thank the Lord for the great weather. Thank you to all those that participated as players and to those who graciously sponsored and gave prizes to help with the cost of the event. We were able to raise money for the CFC ministry and also give a donation to True Light Baptist Rescue Mission of Sandy Ridge, NC.

Please continue to pray for the True Light Baptist Rescue Mission as they are waiting on permit approvals.

Here are a few specific prayer requests to share with you. Bro. Roger Mullins had bypass surgery in April. Hank's hand continues to improve. Please pray for our missionaries as we desire to serve the Lord as long as He will allow us to.

I want to invite you to our Annual Craftsmen for Christ Appreciation Banquet on Saturday, August 17. Registration will start at 10am, then the banquet will be at 11am. We will have a meal, singing, message, slideshow, and an auction. More details can be found www.cfcib.com or our Facebook page. We hope that you will join us as this is a day of fellowship and praising the Lord for what has been accomplished this past year.
