BUILDING FOR THE CAUSE OF CHRIST

www.cfcib.com

Dear Brothers & Sisters In Christ,

August 2021

Ecclesiastes 3:1 says, "to everything there is a season, and a time to every purpose under the heaven." I was recently thinking about the subject of seasons. We send the newsletter out four times a year so or you could say, seasonally. Each quarter we give updates of projects, financial needs, or even physical needs. Things change and then we are facing a new season. This summer has been hot and sometimes tiring but we know that fall is coming, and temperatures will cool down, the leaves will change colors, and we will be refreshed by the change of the season. God allows our lives to go thru different seasons, some are hard to bear, but we know that God is with us every step of the way and will send relief, refreshing, and even rejoicing in His time.

I praise the Lord for all that the ministry has been able to work on since our last newsletter. We were able to help Midway Baptist Church in Lexington, NC, where Harold McMillian is the Pastor. There we replaced the soffit on the main church building and fellowship hall. We were also able to help Bro. Eric Goff with flooring, cabinets & windows and storage building.

In May, my wife and I, along with two of our Granddaughters, Jayden and Dakota, were able to help Bro. Roger with the construction of the Joshua House in Ingram, Texas. From there we traveled to Arkansas to help Triple S Christian Camp with some trim work in kitchen area and replaced the steps at their tabernacle. It was a joy to see our granddaughters helping with the projects.

We recently returned from Tennessee where we helped CFC Missionary, Scotty Boyd, frame a fellowship hall for Elon Baptist Church where Tyler Lynch in the Pastor. It was great to spend time with Bro. Scotty and Bro. Roger and the congregation there.

In the coming months we plan to help build a tabernacle for Freedom Baptist Church in Asheboro, NC, where Rick Byerly is the pastor. We also plan to build a tabernacle for New Beginning Baptist Church in Patrick Springs, VA, with Pastor Mark Wright. Grace Baptist Church in Houma, Louisiana, where the pastor is Irby Fitch is planning to build a new church building.

I want to give a special thanks to Glendale Springs Missionary Baptist Church for their donation of a 1995 Ford 15-passenger van which we are going to sell to help raise money towards a much-needed truck for the ministry. We are asking God to supply the need and lead us to the vehicle he would have us to have. We have a started a truck fund to raise money for this specific need. If the Lord leads you to give towards this, please send the money to Freedom Baptist Church, PO Box 159, Rural Hall, NC, 27045, and designate it for CFC-Truck Fund. When we do obtain a new vehicle, we plan to donate our existing 15-passenger van to a Spanish church ministry.

On Saturday, October 16, we will host our annual Appreciation Banquet at 11am. Registration will begin at 10am. We do plan to have auction items available and folks have already began donating items. If you would like to donate something, please contact Kristie Waters at 336-414-4561. Be sure to check our Facebook page and website for up-to-date information or schedule changes for the banquet. We hope that you will join us.

There are so many different types of needs and as you can see there is much to be done. If you would like to help on any of these projects, please reach out to me. No job is too small, and any one can be a help! We purpose to serve the Lord; we pray that God will put us in each place and in His time to help other ministries.

As we travel, we would like to visit with churches to introduce or update the congregation about the Craftsmen for Christ Ministry. Please contact me at 336-408-4664. We would love to tell you more about what God has laid on our hearts and always are seeking volunteers to help on projects.

Let's Continue to Serve!
